

SAKE ROK

The text "SAKE ROK" is rendered in a bold, white, sans-serif font with a thick red outline. It is centered horizontally and partially enclosed by a large, thick red line that forms a stylized, swirling flourish or calligraphic element. The background is a dark, textured brick wall with visible red and white mortar. On the right side, there is a faint, dark illustration of a person with long dark hair, wearing a white garment with a colorful, possibly floral or traditional Japanese pattern. The person's arm is raised, holding a long, thin object that resembles a sword or a staff, which extends diagonally across the upper right portion of the image.

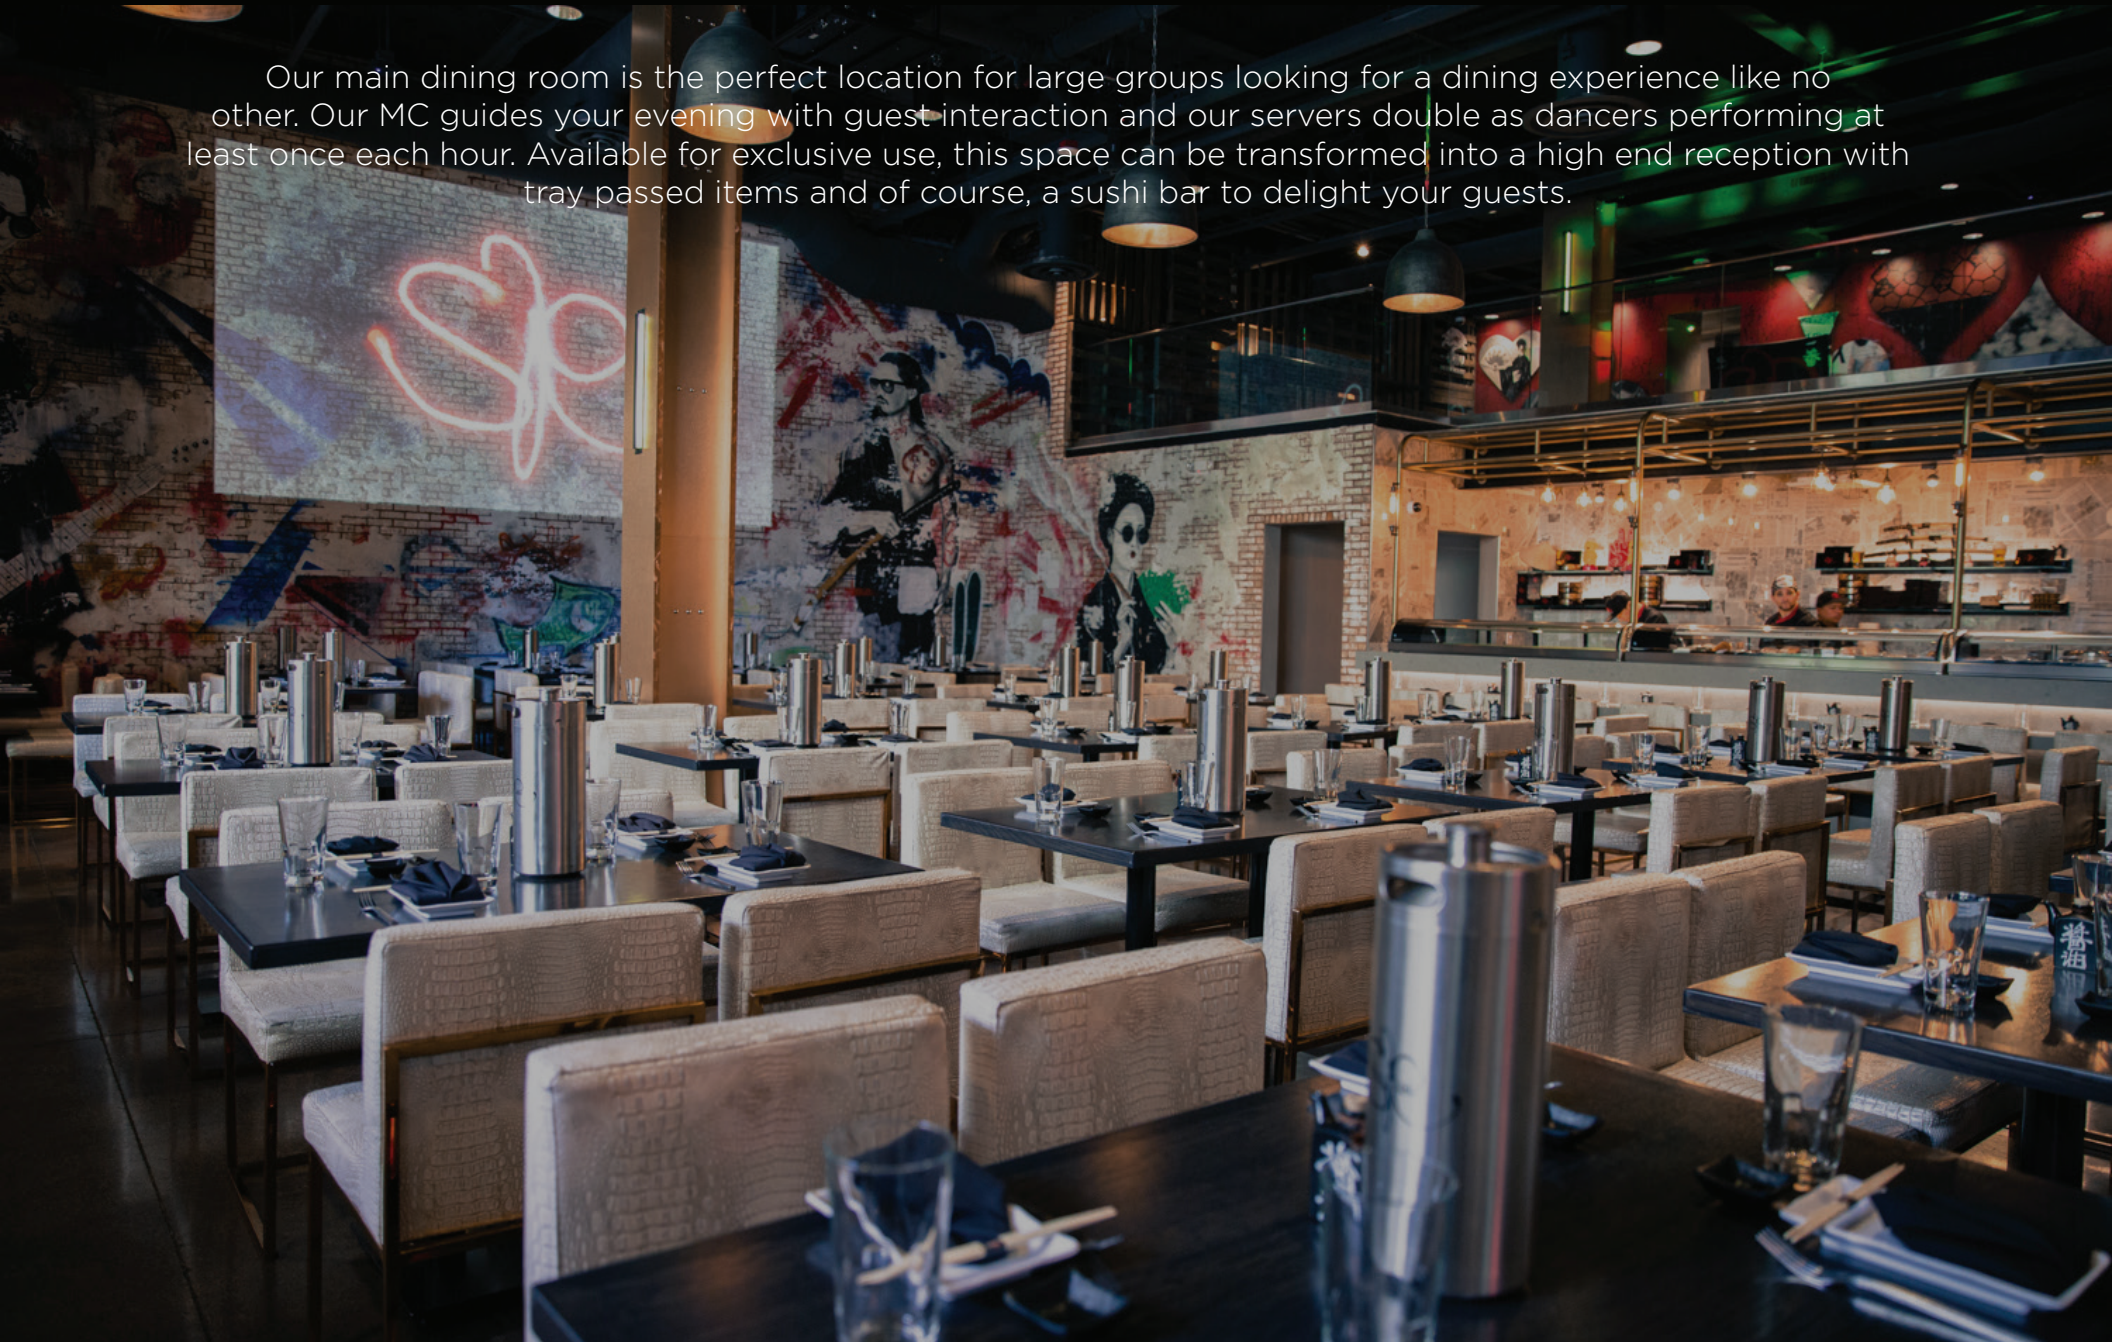

A WORLD CLASS **VENUE** IN A WORLD CLASS **CITY**

Sake Rok transforms into a high-profile social dining extravaganza, immersing guests in an experience part culinary, part performance and completely unexpected. Inspired by Japan's vibrant pop culture, servers doubling as entertainers invite guests to partake in restaurant-wide camaraderie. Expect the unexpected, including restaurant-wide sake bombs, impromptu dance parties and lip-sync serenades. An outlandish and extravagant master of ceremonies will keep the energy and the sake flowing late into the night as Sake Rok transitions into a lively bar and lounge.
